OBJECTIVES

Figure out stuff for 2024

AGENDA DETAILS

I. Review our constitution.

1. I don't see where Regular members vote.
2. We need to figure out who can do what. What we have to do based on the Chuy's Annual meeting.

II. Things I believe are broke in the meeting minutes. That we need to fix.

1. Sect VI – 1 – ii. We can't have 5 teams, that needs to be 4.
2. Sect VI – 1 – ii – 4 What is going to happen at this coaches meeting? I don't know how to coach. Every coach has their way of doing stuff. The only thing I can say is be nice and help set up/clean up.
3. Sect XII – 10 Marilyn is not going to call the Elks lodge and see if they can provide all the breakfast food for early morning banquets. We are not going to exploit the Elks like this.

The Items in section II were approved via emails.
